

REMARKS

In the above-referenced Office Action, the Examiner required election of any one of the species in Figures 3A to 15.

In response, the applicant elects claims 73-79 (directed to Figure 11), without traverse. Non-elected claims 80 and 81 have been withdrawn without prejudice to consideration of these claims upon allowance of a generic claim. Non-elected claims 62-72 and 82-87 have been cancelled without prejudice to pursuing these claims in a continuation, divisional, continuation-in-part, or other application.

Upon allowance of the generic claims, applicant requests consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

No fees are believed due with this communication. However, the Commissioner is hereby authorized and requested to charge any deficiency in fees herein to Deposit Account No. 50-0665.

Respectfully submitted,

Perkins Coie LLP
